For medical professionals looking for an efficient, organized way to track medical information, medical ringbinder charts are the perfect solution. Not only are medical ringbinders designed to fit perfectly into the medical office setting, but they also offer amazing features and benefits that make them truly indispensable. With medical ringbinder charts, medical records can be quickly identified and accessed when needed. Sheet protectors keep important information clean and safe from wear and tear, and customizable dividers allow staffers to easily create and categorize charts. Finally, medical professionals can rest assured that all of their vital medical data is secure with these top-of-the-line medical ringbinders!

The ringbinder has a scratch resistant textured surface with debossed area on the spine and upper and lower front cover - perfect for labels or custom imprinted logos. The premium grade ring wire is designed for outstanding durability. Comes with a limited 5-year warranty.
